Honorable Commissioner for Patents

Washington, D.C. 20231

**AMENDMENT**

Sir:

In response to the Office action mailed March 26, 2002 and Notice of Non-Compliant Amendment mailed June 21, 2002, the complete amendment is resubmitted with clean version of replacement claims attached as required under 37 CFR 1.121(b) (1) (ii). Please amend the above identified application as follows:

In the Claims:

Please amend claim 1 as follows:

1. (Amended) A method of displaying a series of images according to a user's position relative to a display screen having a display area, said method comprising:
- displaying a first image from the series of images in the display area;
